Please list any innovative measures featured in this project:

Project Timeline

Date	Deadline
August 24, 2020	FY 2021 Income Qualified Efficiency Fund opens for applications.
October 16, 2020	Applications are due to the DCSEU by 5:00 P.M.
December 4, 2020	Applications decisions are announced (pending pre-inspection & analysis review).
April 9, 2021	All measures must be installed and final invoices are due to the DCSEU.

Project Timeline: Please list the expected completion date for project milestones. Construction and installation may begin as soon as contracts and works orders are issued. Your project must be completed by April 31, 2021, with final reports and invoices submitted to the DCSEU. Draft your project timeline accordingly to comply with the timeline listed above, taking into consideration scheduling concerns that may impact your organization (facility schedules, holidays, weather, etc.), as well as equipment and material lead times. Assume that December 21, 2020 is the earliest date that your potential funds will be available.

Eligibility Verification: The property manager, owner/developer understands and is willing to comply with request made by the DCSEU to provide income documentation, utility usage data. Please provide utility bills.

I attest and confirm that building located at _____ is income qualified and I understand that applying for this program does not guarantee approval. By submitting this application, the applicant agrees to submit utility usage data such as gas and electric utility bills and benchmarking data, as well as proof of income eligibility.

Authorized Applicant Signature (building owner): _____

Name: _____

Title: _____

Date: _____
