Please describe how Washingtonians would benefit from this project:

Please list any innovative measures featured in this project:

Project Timeline

Date	Deadline
February 2020	FY 2020 Income Qualified Gas Efficiency Fund opens for applications
April 30, 2020	Applications are due to the DCSEU by 5:00 P.M.
June 5, 2020	Applications decisions are announced
June 29-July 13, 2020	Work orders issued and project work can begin
October 30, 2020	All measures must be installed and final invoices are due to the DCSEU

Project Timeline: Please list the expected completion date for project milestones. Construction and installation may begin as soon as contracts and work orders are issued. Your project must be completed by October 15, 2020, with final reports and invoices submitted to the DCSEU. Draft your project timeline accordingly to comply with the timeline listed above, taking into consideration scheduling concerns that may impact your organization (facility schedules, holidays, weather, etc.), as well as equipment and material lead times.

Eligibility Verification: The property manager and/or owner/developer understands and is willing to comply with request made by the DCSEU to provide income documentation and utility usage data. Please provide utility bills.

I attest and confirm that the building located at _____ is income qualified and I understand that applying for this program does not guarantee approval. By submitting this application, the applicant agrees to submit utility usage data such as gas and electric utility bills and benchmarking data, as well as proof of income eligibility.

Authorized Applicant Signature (building owner):
