

Efficiency Rebates for District Businesses

Take advantage of DCSEU rebates for your District business in three ways: Instant Rebates on lighting at Participating Distributors, apply for business rebates (Standard, Small Business, and Income Qualified) at www.dcseu.com, or work with a DCSEU Account Manager to receive a custom analysis of your project and explore rebate opportunities. Contact the DCSEU at 202-479-2222 or info@dcseu.com for more information.
