

# THE DRYERS ELIGIBLE FOR THIS REBATE:

- Use at least 20% less energy than conventional models without sacrificing features or performance.
- Feature innovative technologies such as moisture sensors that detect when clothes are dry and automatically shut the dryer off.
- Reduce wear and wrinkles on clothes.

## DC RESIDENTS

Check out ways that the DCSEU can help you start saving energy and money.

### ENERGY-EFFICIENT LIGHTING:

Save money and energy by replacing your five most used lights with energy efficient LEDs. Visit [www.DCSEU.com/Lighting](http://www.DCSEU.com/Lighting) to view current offers.

### EQUIPMENT REBATES:

Does your water heater, heating, or cooling system need to be replaced? The DCSEU offers rebates up to \$750 for the installation of qualifying energy-saving natural gas and electric equipment. Visit [www.DCSEU.com](http://www.DCSEU.com) to view our current rebates.

*Rebate amounts are subject to availability, limits, and may change at any time.*

## FOR MORE INFORMATION

about these programs and other DCSEU services, visit [www.DCSEU.com](http://www.DCSEU.com) or call 202.479.2222.

### TERMS AND CONDITIONS

District of Columbia Sustainable Energy Utility (DCSEU) rebates are for DC residents and businesses only. Void where prohibited. Rebates may not be reproduced, photocopied, or altered in any way. In using DCSEU rebates, the customer agrees that the DCSEU holds sole rights to any electric system capacity credits and/or environmental credits associated with the products purchased.

**REBATE AMOUNTS:** Rebate offers are subject to change. Total rebate value cannot exceed purchase price and cannot be doubled or tripled. The DCSEU reserves the right to withdraw rebate offers without notice.

**INSTALLATION VERIFICATION:** Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority. The DCSEU reserves the right to review the installations in order to ensure compliance with all program requirements. The DCSEU may request a photo of the installed equipment and/or choose to review locations to verify completion of the projects and to measure and verify energy savings. The DCSEU installation verification is not a safety review and the DCSEU reviews do not certify installation meets code. Such reviews will be made at a time convenient to the customer, with advanced notice given to the customer. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.

**LIABILITY RELEASE:** As part of the consideration for participating in the program, the participating customer hereby releases and shall indemnify, hold harmless and defend the DCSEU and the Rebate Administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high-efficiency equipment at the premises or any material and labor required for such installation.

**WARRANTIES:** The DCSEU does not endorse, guarantee, or warrant any particular contractor, manufacturer, product, system, or installation. The DCSEU does not warrant the performance of these products or provide any warranties, either expressed or implied.

**TAX LIABILITY:** Sales tax must be paid by customer on full pre-rebate price. The DCSEU is not responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

**CONTACT:** The DCSEU may contact customers for feedback on program satisfaction.
