			Indoor Coil:				

## REBATES ON NATURAL GAS EQUIPMENT

After August 20, 2021, in line with District policy and the Clean Energy DC Plan, the DCSEU will no longer offer rebates for residential natural gas equipment in the Efficient Products program. This includes rebates for residential gas dryers, furnaces, boilers, and water heaters. To help residents make the transition to efficient electric heat pumps and heat pump water heaters, the DCSEU has increased rebates for the most efficient heat pumps and heat pump water heaters.

## SIGNATURE (REQUIRED)

I, \_\_\_\_\_, certify that I am the utility customer for the account listed above, or I am authorized by the utility customer to submit this application, and that all information submitted as part of this application, including proof of purchase, is true and correct to the best of my knowledge, that the appliance for which I am requesting a rebate was installed in the service address provided above, and that the equipment meets the requirements of this rebate program. I further certify that I have read, understand and agree to the terms and conditions of this rebate program listed on page two of this application and agree to provide the DCSEU of a photo of the installed equipment and/or to allow my dwelling to be inspected, if chosen by DCSEU, to verify the information herein.

## TERMS AND CONDITIONS

District of Columbia Sustainable Energy Utility (DCSEU) rebates are for DC residents and businesses only. Void where prohibited. Rebates may not be reproduced, photocopied, or altered in any way. In using DCSEU rebates, the customer agrees that the DCSEU holds sole rights to any electric system capacity credits and/or environmental credits associated with the products purchased.

**REBATE AMOUNTS:** Rebate offers are subject to change. Total rebate value cannot exceed purchase price and cannot be doubled or tripled. The DCSEU reserves the right to withdraw rebate offers without notice.

**INSTALLATION VERIFICATION:** Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority. The DCSEU reserves the right to review the installations in order to ensure compliance with all program requirements. The DCSEU may request a photo of the installed equipment and/or choose to review locations to verify completion of the projects and to measure and verify energy savings. The DCSEU installation verification is not a safety review and the DCSEU reviews do not certify installation meets code. Such reviews will be made at a time convenient to the customer, with advanced notice given to the customer. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.

**LIABILITY RELEASE:** As part of the consideration for participating in the program, the participating customer hereby releases and shall indemnify, hold harmless and defend the DCSEU and the Rebate Administrator from any and all claims, losses, harm, costs, liabilities, damages and expenses (including attorneys' fees) of any nature whatsoever arising directly or indirectly out of or in connection with the installation of high-efficiency equipment at the premises or any material and labor required for such installation.

**WARRANTIES:** The DCSEU does not endorse, guarantee, or warrant any particular contractor, manufacturer, product, system, or installation. The DCSEU does not warrant the performance of these products or provide any warranties, either expressed or implied.

**TAX LIABILITY:** Sales tax must be paid by customer on full pre-rebate price. The DCSEU is not responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

**CONTACT:** The DCSEU may contact customers for feedback on program satisfaction.
