

Questions Received for FY 2023 Solar for All Income- Qualified Single-Family Solar RFP

Q1 - How many subcontractors do you intend to select for FY23?

A1 - Pending proposals and our selection process, we typically select 4-5 contractors.

Q2 - What is an estimate on sub-contractor expenses by the 3rd Milestone?

A2 - Subcontractors will be repaid based on their incentive per watt amount and system size under 5kw (dc). Any expenses for roof repairs or electrical repairs will be reimbursed upon completion of project.
